WHO IS LOTTIE?

Think of her as someone just like you. She's a return to innocence and a retort to the over-sexualisation of children. She's pro girl, she shows the many different interests a girl her age can have without limitation, from ballet and horse riding to stargazing and fossil hunting.

She's not a slave to lurid pink and she isn't interested in being a mini-adult. She's like any 9 year old little girl – full of energy and joie de vivre. For our target audience she's a bit of a role model – someone to look to for style and behaviour.

WHY YOU'LL LOVE LOTTIE

- Child like body
- Age appropriate
- Ethnically diverse
- Stands on her own two feet
- 18cm tall, portable and easy to carry around
- More premium fabrics and hair
- Relatable #justlikeme

Bigjigs® Toys exclusively distribute Lottie throughout UK, Ireland, France, Benelux & Italy.
